Volunteers needed for all-Escapees Habitat build!

Three years ago, a team of Escapees volunteers built an all-Escapees Habitat house in Polk County (home of the Escapees RV Club), Texas.

And it is happening again, beginning on **April 28 and continuing daily through May 16**. Wayne Roberts #12463 will be the construction superintendent for the build. About 20 volunteers (men and women) are needed to build the house in a new Habitat subdivision in Livingston, TX. One day, May 6, will be an official *Women Build* day, and the men will be welcome to furnish lunch, bring ice water, and provide encouragement to the all-female team of volunteers. Parking for RVers will be provided at a reduced rate at [Rainbow's End](#), about 7 miles from the build.

To sign up, e-mail Ray Gearing #12742 (gearing@livingston.net) or call Ray at (936) 327-2752. Reduced-rate parking will be provided for the first 10 rigs signed up.

Habitat for Humanity

[Habitat for Humanity](#) invites people of all backgrounds, races and religions to build houses together in partnership with families in need.

Habitat has built more than 225,000 houses around the world, providing more than 1 million people in more than 3,000 communities with safe, decent, affordable shelter.

Through volunteer labor and donations of money and materials, Habitat builds and rehabilitates simple, decent houses with the help of the homeowner (partner) families. Habitat houses are sold to partner families at no profit and financed with affordable loans. The homeowners' monthly mortgage payments are used to build still more Habitat houses.

Habitat is not a giveaway program. In addition to a down payment and the monthly mortgage payments, homeowners invest hundreds of hours of their own labor — sweat equity — into building their Habitat house and the houses of others.
