RESIDENT VOLUNTEERS (work campers) are needed in May, July, August, September, and October. Call Paul Thielen (936) 327-4256 for information and a volunteer package.

GRAPHIC DESIGNER/ARTIST

CARE wants to change the perception many Escapes have about the nature of the CARE facility. Many SKPs think CARE is a place where one goes to die. That is not true! CARE is a place where one goes to be pampered. Life at CARE is like being at an upscale RV rally every day.

If you are able to create visual solutions to CARE's communications problem and would like to volunteer at CARE, please contact us.

We need someone who can show CARE the most effective way to get its messages across in print and electronic media using color, type, illustration, photography, and various print and layout techniques. CARE also needs its marketing brochures for services revised.

WEB DESIGNER

Do you have an understanding of software functionality, as well as graphic design skills, to create successful web pages?

CARE would like to change the visual presence of its website. The web pages must be able to be used on any type of server and viewed with any type of browser.

COMPUTER NETWORK SPECIALIST

Please contact us if you would like to volunteer at CARE and have experience in setting up a 6 computer network using Small Business Server 2003 R2 Standard Edition that combines these Windows server technologies:

- The core Windows Server technologies, including network tools and network security, file, print, and application sharing, and firewall protection (but not including technologies appropriate only to medium-to-large enterprises)
- Exchange Server 2003 and Outlook for email, messaging, personal information management, shared calendaring, and MORE!

Volunteer for a month or more, and CARE will provide:

- A site with full hookups while you volunteer. (You pay electric and propane.)
- A free meal (on the days you work).
- Use of the Rainbow's End park facilities.
- Make use of the CARE and Club House libraries, where you'll find books, videos, and large-screen TVs, or enjoy the swimming pool, pool tables, Ping-Pong, and more at the Activity Center.
- There is always something going on at the CARE Center like the bluegrass jam every Thursday. At Rainbow's End, you will find yourself surrounded by other RVers, from novice to expert, who will treat you like family or maybe better!
