Branson, MO, is again starting to buzz with the anticipation of another beautiful summer season.

[Turkey Creek](#) is offering something new to help traveling Escapees who are trying to avoid high fuel costs — come to Branson and stay longer!

We are offering a three-month lease on 30-amp sites from June 1 through Aug. 31, 2008. The total cost for the three-month lease is only \$890.00, including electricity. And there's no sales tax! That saves you \$293.00 over the lowest available rates for the same period.

And the Turkey Creek activity coordinator is bringing professional Branson entertainers to perform for us on Wednesday nights for free. We'll sell root beer floats and have a tip jar to help support the shows. We are also starting jam sessions, so bring your talent and your musical instruments and join in or just come to listen. There are a lot of

things to do in Branson that don't cost much, including hiking, biking, fishing, and walking by the river. At [Branson Landing](#), you can see free concerts, ride the free trolley, and see the beautiful nightly free fire and light show.

Of course, there are the 100 plus Branson shows, three discount malls, and Silver Dollar City, if you just have to spend some of that fuel savings. If you would like more information, call the park at (417) 335-8004. Come on down and stay the summer; it's going to be a lot of fun!
