Enjoy a trolley ride through the Rainbow's End 200-acre community, tour Escapees RV Club national offices, and learn more about member benefits from the staff who work at Escapees headquarters.

Each Tuesday and Thursday, at 9:30 a.m., members and guests gather at the clubhouse, where the tour begins. As line dancers shake their "booties" across the hardwood floors, tour guides shuffle the group through the game room, video room and library as they give a brief historical overview of Rainbow's End. Did you ever wonder why national headquarters ended up in Livingston, Texas? You'll get the scoop and lots more!

You will then be led to the corporate offices across the street, where you'll be escorted through Escapees' service center and see Escapees' massive mail-service operations, including a demonstration of the sophisticated optical character reader unit that sorts 15,000 pieces of mail per hour.

The next phase of the tour is a question-and-answer session with various members of management. Escapees' Executive Director Angie Carr will give you an overview of current and future projects and events. A member of the magazine team will walk you through the evolution of *Escapees* magazine. You may have a chance to ask Mark Nemeth, Escapees technical advisor and Boot Camp instructor, a couple of questions or learn about the newest HOPs trip events from Bruce and Louise Schweichler. You never know whom you might meet!

Once you've toured the interior facilities, you will hop on the trolley for a tour of the grounds. You will go by Joe and Kay Peterson's home and be invited to walk around their memorial water garden. You will see how Rainbow's End grew and expanded and see for yourself why so many members have settled in this quiet country setting in the midst of the Big Thicket.

You will also go by Escapees CARE Center, the one-of-a-kind adult day care facility especially designed for RVers. CARE tours are offered on Mondays and Fridays at 11:00 a.m. You can even stay for lunch if you choose to.

Don't forget to mark your calendars now! **CARE Health Fair is March 30 through April 4, 2009.**
