Don't let anyone scare you into giving up your traveling dreams or your quality of life. Escapees RV Club continues to provide the best RV support network in the nation, and the *Escapees 2009 Travel Guide* is just one example.

Surveys show that economical RV parking remains at the top of everyone's list. From deeded land to leases, to low overnight rates, and the only adult day care facility specifically designed for RVers in the nation, Escapees park system offers the most unique and comprehensive RV parking options in the industry. Escapees is also the only club that provides its members with a **FREE** campground directory listing over 1,000 commercial parks that offer a **minimum** 15-percent discount on nightly rates as well as hundreds of parks that offer up to 50-percent discounts.

The *Escapees 2009 Travel Guide* also contains a complete list of Escapees Rainbow Parks, SKP Co-Ops, and Overnight Parking with members in the US, Canada and Europe who offer overnight parking on their property or advice on travel to and around the area. And that's not all! The guide also includes over 300 commercial members both by vendor name and category. It is the perfect resource for locating badgemakers, dealerships, products and service providers.

Escapees members automatically received their *2009 Travel Guide* in the mail along with their January/February *Escapees* magazine. If you are a member and have not received your copy, please contact our office at clubbusiness@escapees.com.

If you are not a member and would like to join and begin receiving this benefit and many more, you are also welcome to contact our office or simply go to www.escapees.com/store/listmemberships.asp and join now!

With the benefits and resources that Escapees RV Club provides, you can tighten your belt as needed without settling for a rocking chair on the porch. Check out all the membership benefits at www.escapees.com and don't forget to keep a close eye on the calendar of events. And, if you're still not convinced that Escapees is the best RV support network in the nation, tap into Escapees discussion forums and see what members think about this organization. What better reference is there than from those who have firsthand experience?

Special Reminder to Escapees members

Please show your Escapees membership card at participating parks, and encourage those parks who are not in the travel guide to become part of the win-

win relationship that the Escapees discount park program offers. All that is needed is the park's business card, and Escapees Club staff will do the rest. Remind parks that there is no charge for being listed in the travel guide, and all 65,000 Escapees members receive a guide to use as they travel.

If you would like to do more to help grow the commercial parks discount program, contact discountparks@escapees.com .
