### **Have We Got A Shirt For You!**

The 2009 Sedalia Escapade logo shirt (and hat) is now available on the Escapade website. Just go to [www.escapees.com/escapade](http://www.escapees.com/escapade) and look for the shirt information page.

Once you are on that location, you will have a choice of shirts in three different colors – cool grey (the color of choice for this Escapade), stone (a light tan/khaki color) and royal blue.

Cool Grey

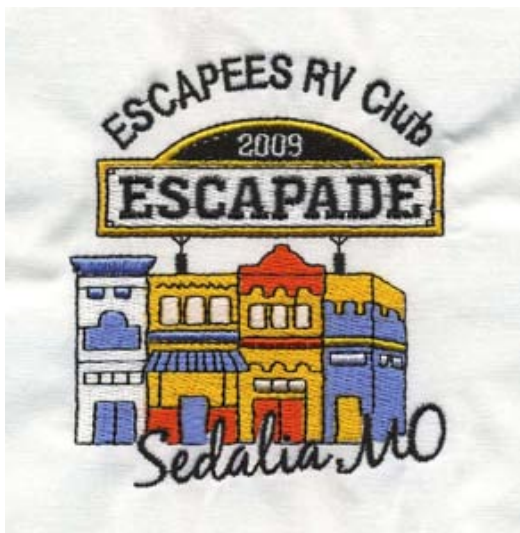

Stone

Royal

Available in either men's or women's sizes and with or without pockets, the Port Authority brand shirt is available in your choice of colors indicated above. Shirts without pockets will have the Sedalia Escapade logo on the left chest side of the shirt. Those with pockets will have the logo on the right chest of the shirt.

Denim shirts are also available in long- or short-sleeve versions with both men's and women's sizes. Pictures and additional information are on the website.

Each of the shirts will feature the logo, designed by Escapees graphic artist Krystina Evans, on the shirt. Done in shades of blue, gold, black, and white, the logo reflects some of the history of the vintage buildings in downtown Sedalia. Cattle drives, railroads, ragtime, and the Civil War shaped the history and images of Sedalia.

You can order the shirts to arrive at Sedalia and be picked up there on the opening day of Escapade (May 24, 2009). Shipping to Sedalia is included in the website cost of the shirts and hats. Or you can choose to have the shirt shipped to a location of your choosing and pay

the shipping cost charged by Sports Image Apparel of Indiana, the company producing the item. Costs for the shirts, available for pick-up in Sedalia, are \$21.00 for men's or

women's without pockets and \$22.00 for a shirt with pockets. Extra size shirts may cost slightly more, and that information is available, based on size, at the website order form.

The shirts are 65/35 poly/cotton pique with knit collar and cuffs. With side vents and metal buttons sporting dyed to match rims, the shirts present a first rate choice for Escapade comfort. And, if you enjoy hats, you can choose a mesh-back hat in the same color as your shirt for only \$11.00. You can take a look at the hats on the website also.

And, if none of these strikes your fancy, take a look at the Escapees standard Escapade logo shirts. They are listed on the same website and are available in red, white, or royal, as well as the denim styles. Prices and shipping information are listed as you review the different options.

**Have fun shopping! And come dressed for the occasion – with an Escapade shirt. We'll see you in Sedalia.**
