The Escapees Head Out Programs (HOPs) are appropriately labeled because there is nothing stagnant about these events! The fact is they keep attendees hopping in every sense of the word. There are the tried-and-true events that take place nearly every year such as the Pasadena Rose Parade and the famous Albuquerque Balloon Fiesta. There are fantastic cruises to places like the Panama Canal, [British Isles/Norwegian Fjords](#), and [Hawaii](#). There are outdoor adventures that cater to rafters, 4-wheelers, hikers, bikers and sports enthusiasts of all kinds. Festivals are always a blast and attendees have enjoyed a wide range of themes from kite making/flying on the Oregon coast to symphonic music in the Grand Tetons.

Sometimes HOPs are organized around members' seasonal travel plans, local attractions or club events. Such is the case with the [pre-event HOPs](#) offered as a prelude to the [Escapade](#) in Sedalia, MO, this May. If you register for a pre-event HOP you will be able to keep your full-hookup parking spot throughout the duration of the Escapade event. How's that for convenience! Tours take place on Thursday, Friday, and Saturday (May 21, 22, and 23), so you can choose whichever one(s) fit your schedule. Get the most out of your travels by combining these fun, educational, and economical tours in conjunction with the 49th Escapade. And remember, it is critical that you book as soon as possible because some tours have minimum attendee requirements that must be met by April 20, or they will be cancelled.

Whether you choose a pre-Escapade event or one of the dozens of others that take place throughout the year, you can bet that Escapees HOPs will provide more bang for your buck. You will be accompanied by fellow members in small comfortably sized groups where friendships can easily be established and attention to detail is par for the course.

Check out the full [schedule of events](#), and book now while space is available!
