### Niagara Falls HOP, September 9-15, 2009

When you take part in this HOP, you will have the advantage of seeing Niagara Falls and many other interesting sights from both the American and Canadian perspective. For instance, you'll be boating through the locks on the Erie Canal, descending into the Niagara Gorge, and cruising on the Maid-of-the-Mist at the base of Horseshoe Falls. You'll also be touring the Buffalo and Erie County Naval and Military Park, strolling through the quaint village at Niagara-on-the-Lake, tasting wine at Joseph's Estate Winery, and way more!

This picturesque and fun-packed HOP provides you the opportunity to rejuvenate your relationship or just pamper yourself for a change. One of the best things about an Escapees HOP is all the planning is done for you! No waiting in line for tickets, no hassle looking for parking, no worrying about where to eat—it's all taken care of.

Don't let this HOP pass you by! Check out the full itinerary and complete details at [www.escapees.com/HOPs](http://www.escapees.com/HOPs), or give our staff a call at 1-888-757-2582 and sign up now.

#### Cancellation Policies

As with all HOPS, minimum registrations must be met; otherwise the event will be subject to cancellation. If a HOP is cancelled due to lack of interest, full refunds will be given. To date, there are 20 Escapees members signed up for this HOP.

#### Identification Regulations

New government regulations took effect June 1, 2009 requiring additional identification for cruise passengers and land travelers returning to the United States from Mexico, Canada, Bermuda, or the Caribbean. U.S. citizens returning home from Canada, Mexico, the Caribbean or Bermuda, by land or sea, will be required to present one of the travel documents listed below.

**U.S. Passport:** This is an internationally recognized travel document that verifies a person's identity and nationality. It is accepted for travel by air, land and sea.

**U.S. Passport Card:** This is a new, limited-use travel document that fits in your wallet and costs less than a U.S. Passport. It is only valid for travel by land and sea.

**Enhanced Driver's License (EDL):** Several states and Canadian provinces are issuing this driver's license or identification document that denotes identity and citizenship. It is specifically designed for cross-border travel into the U.S. by land or sea.

**Trusted Traveler Program Cards:** NEXUS, SENTRI or FAST enrollment cards can speed your entry into the U.S. and are issued only to pre-approved, low-risk travelers. The cards are valid for use at land or sea; the NEXUS card can be used in airports with a NEXUS kiosk.

**Special Groups:** Information for Children, Groups of Children, Native Americans, "Closed Loop" Cruises, U.S. Lawful Permanent Residents, U.S. Military, Merchant Mariners, Ferries and Small Boats, and Boaters.

For more information on travel requirements, see the Department of Homeland Security's [www.GetYouHome.gov](http://www.GetYouHome.gov). Passport and passport card processing takes four to six weeks; expedited service is available for a fee.
