What does SKP mean?

SKP is a commonly used nickname for Escapees. (Say S-K-P fast and it sounds like Escapees.) You'll see SKP used to mean Support-Knowledge-Parking or Special Kind of People. Many Escapees call themselves SKiPs.

Escapees are people who have taken the caring and sharing philosophy to heart. Escapees love to learn, love to share their skills and talents, love to explore, love to laugh and enjoy themselves. Escapees are people from all walks of life who consider themselves family.

A TOTAL SUPPORT NETWORK FOR *All* RVERS

“Live it up!”

The adventure begins at Escapees HOPS.

Escapees are fun-loving, adventurous people who enjoy seeing new sights, meeting new people, and helping others. Escapees love their RVs, whether they use them for short vacations or live in them all year. In fact, Escapees love everything about the RV adventure and often use their travels to indulge in their favorite pastimes as well as educational family outings.

Daily seminars are packed with nuts-and-bolts information. The seminars, craft and hobby workshops, a market area offering RVers specialty products and services, and evening entertainment will keep you busy throughout these six-day events.

Support

Mail Forwarding Service

The Escapees Mail Forwarding Service is a licensed commercial mail-receiving agent operated to make your mail available at a local address near your travel or vacation stops. Whether you travel for a few months each year or are a full-time traveler, rely on us to handle your letters, magazines, certified and registered mail, and packages.

Advocating RVers' Civil Liberties

It is our aim to alert RVers to potential problems, organize grassroots campaigns when needed, and push for solutions before detrimental laws are instituted. Some of the major issues the club has been active in include:

- Voting disenfranchisement challenges
- Unfair RV-specific taxes
- Unfair overnight parking ordinances
- USPS regulations
- Unreasonable RV-related restrictions

CARE

Escapees CARE, Inc. is the only adult day care program designed for RVers. At the CARE Center in Livingston, Texas, members receive professional help during recovery from surgery or illness while they continue to live in their own RV. From broken bones to Alzheimer's disease, CARE is a safety net for both ailing Escapees and their caregivers.

“Experience Freedom”

Up close and personal—in your RV...

Parks and Parking Options

Escapees have many parking options. There are eight Rainbow Parks in seven states that offer dry-camping to full hookups. A number of parks offer WiFi. Five of the Rainbow Parks offer home-base options in the form of long- or short-term leases and/or deeded lots. Eleven SKP Co-Op parks from Washington state to Florida also provide home-base and overnight options. In addition, the (free) *Escapees Travel Guide* lists nearly 1,000 commercial RV parks offering Escapees members either a minimum 15% discount or a \$10 flat rate.

Adventure

Adventure Activities

BYO-RV and join in the fun and adventure as the HOPs take you to special theme-related spectator events, like balloon fiestas, kite and music festivals, NASCAR races, and sporting events. Also, enjoy cruises and participation in outdoor adventures, including off-roading, rafting, hiking, fishing, and more. Check our Website for a full HOP schedule.

Chapters
