Attennnn-Hut!

**Calling All Rvers!
We Want You!**

Enlist in the RVERS' Boot Camp program.

RVERS' Boot Camp provides fundamental training in road safety, technical proficiency, and confidence for all RVERS. Be All You Can Be! Join a Boot Camp platoon at an RV rally or Escapade near you.

As a Boot Camp trainee, you will attend a series of seminars on all aspects of RVing. You will learn critical RVing skills in a fast-paced and fun environment.

WHAT YOU NEED TO KNOW ABOUT THE ESCAPEES RVERS' BOOT CAMP PROGRAM

We chose the "Boot Camp" theme because it describes an intense and highly efficient training program designed to teach you what you NEED to know without a lot of fluff. That's exactly what we do for each and every trainee! During the PANEL OF EXPERTS, which follows the regular training session, trainees will be given an opportunity to ask any and all questions of the Boot Camp instructors. As a Boot Camp graduate, you can "Stand Tall," knowing that your RV knowledge will stand the tests of life on the road.

ESCAPEES RVERS' BOOT CAMP TRAINERS ARE RECOGNIZED INDUSTRY EXPERTS

Mark Nemeth is the Escapees technical advisor and Boot Camp program director. His writings are published in numerous RV industry publications and he has been assisting RVerS with their technical questions for over 12 years. Today, Mark is one of the leading technical advisors in the RV industry.

Dennis Hill is the owner of the RV School, which has been teaching RVerS to drive their RVs since 1991. RV School instructors teach driving skills and confidence with private one-on-one lessons behind the wheel of the student's RV.

Mac McCoy has 33 years of fire safety experience, a BS degree in Fire Science, and a Masters degree in Fire Administration. Mac has taught firefighting skills and techniques to RVerS, military personnel, firefighters, and law enforcement, both in the United States and abroad.

Neil LeKander is a graduate engineer and has served in that capacity for 32 years. Neil and wife Pat have been active RVerS for more than 35 years. For the last 10 years, they have lived full-time in their RV while traveling the country presenting lectures on the subject of RV safety and weighing thousands of RVs.

THE PROGRAM INCLUDES TRAINING IN

- RV maintenance and operation
- Tire and weight safety
- Basic RV systems
- Hitch-up
- Fire and life safety
- RV driving

We will help you get the most out of your RV!
