

Mobile Vehicle Declaration of Intent - Multiple Receivers

I, _____, am a DIRECTV customer. My DIRECTV account number is _____. I intend to use more than one DIRECTV system receiver in a mobile unit such as a camper, boat, or other recreational vehicle. I declare that the programming I receive in my mobile unit will be for my own private, non-commercial viewing. I further state that I do not use my mobile unit as part of a business operation or receive income for its use.

I understand that DIRECTV generally requires that all receivers be continuously connected to the same land-based phone line in order to qualify for the Additional Receiver Authorization Fee as set forth in paragraphs 1 (f) and 2(c)(2) of the DIRECTV Customer agreement. Because I have more than one DIRECTV system receiver in a mobile unit, I request that DIRECTV allow me to pay the Additional Receiver Authorization Fee, currently \$4.99 per month per receiver for each additional receiver, instead of the full subscription price for each additional receiver even though these receivers are not connected to the same land-based phone line.

The following access cards and receivers will remain in my mobile unit. I agree that I will inform DIRECTV if there are any changes to the facts as stated in this declaration.
