

OVERNIGHT PARKING FOR SKPS

What you will find in this section:

- Listing of SKPs offering overnight parking to SKPs.
- Listing of SKPs offering information about their area, not parking.
- Listing is organized alphabetically by state and city.

How to use:

- Be self-sufficient: Do not expect full hookups. Most invitations are for overnight dry-camping.
- Be kind: Do not intrude on the host. Expect to pay for electricity if you use it.
- Be polite: Do not expect the host to entertain you. Be sure to thank the host upon departure.
- Limit your stay to one night unless invited by the host to stay longer.
