

Escapees Affiliate Program Terms and Conditions

Eligibility: Prospective Affiliates agree to an application and review process. Please know we are a values-driven, member-first organization. As such, we are selective with whom we choose to include in the Escapees Affiliate Program. Please note that we reserve, in our sole discretion, who may become an Affiliate, or remain one. Membership in Escapees Affiliate Program may be revoked, but is not limited to, if affiliate competes directly against Escapees or fails to hold and promote Escapees values.

Compensation: Escapees will pay Affiliate \$10.00 per new Escapees membership created as a result of a referral from Affiliates site. Compensation will be paid to an affiliate in the month in which Escapees completes the new membership process.

Licensing: Upon acceptance as an affiliate, said affiliate will receive an affiliate link and certain additional intellectual property of Escapees. Use of any and all of Escapees intellectual property is subject to acceptance of Escapees Affiliate Program License Agreement.

Your Disclosure Requirements: According to the Federal Trade Commission (FTC), an affiliate must disclose the nature of the compensation they receive from the marketer—in this case, Escapees. As such, upon acceptance as an affiliate, Escapees requires that you annotate the Escapees affiliate link with language indicating your compensation from Escapees. According to FTC guidelines this disclosure should appear on your website directly above the affiliate link, in a clear and easy to read font. The following are examples of proper disclosure:

- While Escapees compensates me for referrals made through this site, I wholly endorse Escapees' services.
- I choose to become an affiliate of Escapees because I believe in the quality of their services. However, you should know that I receive compensation for the members who join Escapees by clicking below.

NOTE: by submitting an application for inclusion in Escapees Affiliate Program, you are agreeing to these Terms and Conditions and to Escapees Affiliate Program License Agreement.
