

## *Escapade Pre-Event: - RVers' Boot Camp Directions and Tips*

Thank you for pre-registering for the 2020 Rock Springs, Wyoming, RVers Boot Camp. **Please plan to arrive on Thursday, June 18, between 8:00 am and Noon.** RVers Boot Camp begins Thursday afternoon and concludes at 3:00 pm, Saturday, June 20. If you are also attending *Escapade*, the event begins Sunday, June 21, and ends Friday morning, June 26. If registered for *Escapade*, you will be able to remain in the parking space that was assigned when you arrived for RVers' Boot Camp; if not registered for *Escapade*, you will need to depart before 10:00 am, Sunday, June 21. (You may register to remain for *Escapade* on-site, if you have not done so before arrival).

**Approximately 30 days prior to the event, along with your entry ticket, you will receive via email a parking permit showing a large, bold F (full hookups) and the day of your arrival for Boot Camp: THURS.** (Note: If you are registered only for Boot Camp and not pre-registered for *Escapade* your parking permit will be a **BC** for boondocking, for the 3-day Boot Camp event) **It is vital to have your permit printed and placed inside the driver side windshield so the parking team can see and verify your day of arrival and parking option selected.** Once parked, the parking permit should be placed in your tow/towed vehicle. When you arrive to park, your patience is appreciated! It does take longer to park special areas for pre-events, but you will be parked as quickly as possible. Please remember there are **absolutely no** facilities for arrivals earlier than Thursday morning and **parking closes at 12:00 Noon on Thursday;** plan to arrive prior to this time.
